Heroku

## Languages

English

I'm a software engineer and YouTuber that makes easy-to- follow coding tutorials. In Dec 2021, I will graduate from USF, but my journey won't end there. After, I plan to continue my career as a software engineer and be around people who also share a love for code. If you would like to get to know more about me, please contact me.

## Work History

### Front End Developer

*Asquaredroofing , Tampa, FL*

- Developed designs to meet specific requirements such as quick-loading sites with particular layouts.
- Produced websites compatible with multiple browsers.
